Eagle Project

Michael Noronha would like to thank everyone who helped out on his first two Eagle project workdays. His project is creating a 'showcase' perennial garden at My Friend's Place, a homeless shelter in Dover. The work went well ahead of schedule, and they successfully installed a 20ft. long retaining wall. His next major workdays will be October 11th and 12th. Saturday will be 8AM-4PM, where lunch will be provided. Sunday is 1PM-5PM.
